

#4 - Medication Release Authorization

School: Community Christian Academy Student Name: _____
Year: 2021-2022

Please Print All Information Legibly

With parent/guardian permission, the school staff will administer general medication as needed. This medication includes: (1) General pain relievers such as Tylenol® and/or its generic substitute. (2) General stomach medication such as Pepto-Bismol® and/or its generic substitute.

The staff will not administer anything without written consent of the parent/guardian. By checking the "I give my permission" box below, you agree to hold harmless the staff and administration of Community Christian Academy and its sponsoring church, Community Baptist Church.

Please Check One Box Only

- I give permission for the staff of Community Christian Academy to administer general medication as needed to my child, as stated above.
- I do not give permission for the staff of Community Christian Academy to administer general medication as needed to my child, as stated above.
